

History Paper 2A - Britain, Health & the People c1000-Present Day

History Paper 2 – Britain, Health and the People c1000-Present Day				
Student Checklist				
		R	A	G
Understand what surgery was like in the Renaissance period				
Be able to explain some of the problems surgeons faced.				
Identify who Ambroise Pare was, when he lived and how he helped change surgery.				
Identify who Hippocrates and Galen were and why they were important.				
Be able to explain why they were important at the time, in the medium term and today.				
Understand the impact that Christianity had on medicine over time. Think about its control over people's beliefs about the causes of disease, and their running of hospitals. Consider also how they limited understanding and how their impact changed [lessened] over time and why.				
Understand what the Black Death was.				
Understand what the Great Plague was.				
To be able to identify and explain similarities between the two.
