

Year 13 Physics Assessment 1 – November 2024

Two papers – 2 hours each

You will require a pencil, ruler, protractor, and scientific calculator.

The data sheet will be provided for you.

Physics – Paper 1: 2 hours	R	A	G
Section 1: measurement and error			
Section 2: particles and radiation			
Section 3: waves			
Section 4: Mechanics and materials			
Section 5: electricity			
Physics – Paper 2: 2 hours			
Section 6: Periodic Motion and Thermal Physics			
Section 7: Fields and their consequences			
Knowledge from sections 1-5 are assumed and could be assessed on this paper.
